

## Community Eligibility Provision (CEP)

Hemphill Independent School District announced that it we will continue its policy for serving meals to children served under the National School Lunch Program and School Breakfast Program for the 2023-2024 school year. Schools qualifying to operate the Community Eligibility Provision (CEP) provided breakfast and lunch to all children at no charge and eliminate the collection of meal applications for free, reduced-priced and paid students meals. This new approach reduces burdens for both families and school administrators and help ensure that students received nutritious meals.
